5.00 PLANNING APPLICATIONS FOR RESPONSE

(details available at <http://planning360.waverley.gov.uk/planning>)

The following applications were considered and responses RESOLVED:

WA/2020/1288 - Combe Ridge, Pook Hill

*Erection of two storey outbuilding following demolition of existing. **No objection (unanimous)***

WA/2020/1287 - Little Beckhams, Coxcombe Lane

*Listed building consent for roof lights and internal alterations. **No objection (unanimous)***

WA/2020/1336 - Zandra, Combe Lane, Wormley

*Erection of extension and alterations to elevations including dormer window (revision of WA/2020/0802). **No objection (unanimous)** The council notes that it's response to the previous application was not considered by the officer, though it does appear on the portal.*

PRA/2020/0019 - Furnace Place Estate Farm, Killinghurst Lane

*General permitted development order 2015 schedule 2 part 3 class r - prior notification application for change of use from agricultural buildings to a mix of business (use class b1) storage and distribution (use class b8) and hotel (use class c1). **This is a technical application and Waverley Officers will determine whether the application falls within the permitted development scope.** The Council notes that this application relates to use only and planning applications will be required for any external or substantive development of the buildings or site and far more detailed information will be required to inform those decisions. The Council notes that the site is within the Green Belt and AONB and in a rural and agricultural setting, but directly alongside residential properties. The access road is unclassified and not suitable for large vehicles. The Council has concerns about the impact on residents and the local area from any increase in noise and vehicle movements. The Council notes that there is already hotel accommodation in very close proximity.*

WA/2020/1370 & 1371 - Combe Cottage, Combe Lane

*Applications Under Sections 19 and 73 Of the Planning (Listed Buildings And Conservation Areas) Act 1990 To Vary Condition 1 Of WA/2018/0803 and To Allow Alterations To Proposed Garage Including Levelling Of Ground New Retaining Wall Addition Of Dormer Windows and roof lights; alterations to fenestration and internal layout of main dwelling. **No objection (unanimous)***

WA/2020/1354 - Winterton Arms, Petworth Road

*Erection of extensions and alterations with associated work. **No objection (unanimous)** The Council assumes that appropriate disability access is provided for, noting that the new extension has only an unspecified number of steps down into the outside space. The Council has not seen any response from Surrey Highways, but would welcome a one-way flow of traffic into and out of the site, so that traffic enters at the North end of the frontage and exits at the South end. The visibility looking North is restricted at the North end and there have been a number of accidents in the vicinity. This change is thought to improve safety and the Council asks that this is considered within this application.*

WA/2020/1379 - Fisher Cottage, Combe Lane

Erection of a dwelling, outbuildings and associated works following demolition of dwelling and outbuildings. No objection (unanimous)
